THE YOUTH COMPANY

The Youth Company of Presidio Dance Theatre has provided its young artists-in-training with an unprecedented opportunity for artistic and cultural exchange.

PDT classes emphasize artistry, elegance, precision and versatility. Our program is unique: students study exquisite Classical Ballet, Character & Historical Court Dance, and Performance, drawing from a variety of international styles and folkloric traditions. Our students have been accepted

into professional dance companies, college dance programs, and summer programs with the Kirov, Royal, Bolshoi, and ABT, among other prestigious institutions.

The Youth Company of Presidio Dance Theatre was launched in 2006 by Sherene Melania. The faculty trains aspiring young dancers in a pedagogy based on the Vaganova School of Saint Petersburg and the performance aesthetic of dance theatre. The training is sequential and builds technical excellence. Such training has produced most of the world's exceptional dancers, including Pavlova, Nijinsky, Nureyev, Baryshnikov, and Makarova.

All students in the Youth Company are required to commit to a certain number of core classes per week, additional optional electives are available. **Please Note:** Tuition and Fees are not refundable. *Tuition includes the school year of classes, 4 workshops, and all production rehearsals.
